ADM and Mrs. Stansfield Turner

McLean, VA 22101

Dear Stan:

Karen and I would be pleased if you and Mrs. Turner would join us in the Secretary of the Navy's section at the Army-Navy Football Game on Saturday, November 29, to be played in the Veterans Stadium in Philadelphia and to be with us on board the special train to and from that affair. To assist in our planning, would you please let us know by telephone, by October 24, whether or not you think you will be able to join us; our telephone number is 695-5050. A second letter will follow with train departure time and additional details should you be able to attend.

Unfortunately, due to restrictions regarding the use of official funds for events of this nature, each individual is required to bear the costs of his transportation, food, and refreshments. Your total cost for all this will be \$43.00 per person. This amount does not include tickets, as you already have received complimentary tickets from the Naval Academy.

We look forward to you joining us.

Sincerely,

A handwritten signature of Edward Hidalgo is written above his typed name.
